FinTrust | Admission and reconciliation

Release 1 | Planning and design evidence | 12 October 2026

Read admission and scoring from top to bottom. Separate recovery and review paths are on the second page. Invalid files are rejected; invalid rows are quarantined. A controlled technical retry is not a compliance decision.

FinTrust | Correction recovery and review

Release 1 | Planning and design evidence | 12 October 2026

Read admission and scoring from top to bottom. Separate recovery and review paths are on the second page. Invalid files are rejected; invalid rows are quarantined. A controlled technical retry is not a compliance decision.
